NexGen Consultants
Cincinnati OH 45244

Dear Doug:

Please consider this letter a recommendation of the Salesforce services that NexGen Consultants provides. Justin Davis served as our Salesforce consultant and was able to navigate a complex situation and complete the project to our satisfaction. Our configuration included creating nightly batch integration with E2 Shop Management System and Salesforce using Apex Data Loader.

We sincerely appreciate your responsiveness and the way you conduct business. We are happy to recommend NexGen Consultants to others because of our satisfaction with your service. We look forward to doing business with you again in the future.

Sincerely,
